## GOOD NEWS FOR TAXPAYERS

The 1970 Tax Rate has a good chance of remaining the same as it was in 1969 - or perhaps going down a little bit.

Town Manager Sterling Morris told the Board of Selectmen on Monday evening, in a short session of the Board of Selectmen that the 1970 Cherry Sheet had arrived, from the Department of Corporations, in the State House. The reimbursements from State and other sources are to be considerably over the previous estimate.

'The 1969 estimated receipts,' he said, 'which appear on page 104

of the 1969 Annual Report, amounted to \$996,087.63. This is the figure on which municipalities are required to use in computing the estimated future income by way of a Cherry Sheet. The 1970 Cherry Sheet indicates State Estimated Receipts to be \$1,415,502.06.'

'This additional income, together with certain economies recommended by the Finance Committee and the Board of Selectmen in the 1970 budget, will permit me to safely indicate a tax rate of \$41.00 . . . which is exactly the same as the year 1969'.

## Arlene Casey has an Adventure

Arlene Casey, 5 year old child of Mrs Thomas Casey of Oakdale Road, went exploring last Friday afternoon. It took Zip, the Police Dog and Officer Bobby Shelley to get her home.

The little girl has a speech problem. She left home at about 1:30 and was missed about five minutes later. Police were called, but could find no sign of her.

Then they brought up Zip. He was allowed to take a scent from her wardrobe, and then he started off.

Down Oakdale Road, and across Judith Road he led the cops - down to the railroad, and then north towards Salem Street.

The little girl was found on the other side of Salem Street, over half a mile from home, safe and sound.

## Sometimes one can Forgive -

IT'S AGAINST THE LAW - BUT - Even an attorney can be pardoned for breaking the law on such an occasion. This sign was posted on the home of Atty and Mrs Roland Wood, Monday morning.

Two sons home from Vietnam, at the same time. Roland, a Lance Corporal in the Marines, had served 19 months in Okinawa and Vietnam and Richard, a First Lieutenant of Marines had served 12 months with the First Marine Division in Vietnam.

## Flood Plain Zoning

# Planning Board Reconsiders

The Wilmington Planning Board, at a late hour Tuesday evening voted that Town Counsel Alan Altman and its consultant, Professor Charles W Elliot, should meet this weekend with Attorney Philip Buzzell to discuss legal points about the proposed Flood Plain zoning, to be discussed in the coming Town Meeting.

Mr Buzzell, retired Town Counsel, had been retained by the Wilmington Chamber of Commerce to present questions about the legality of the proposed zoning. He and a dozen members of the Chamber spent an hour and a half Tuesday

evening discussing the points presented. Also present, by invitation of the Chamber, were James F. Banda, Chairman of the Board of Selectmen, and Town Manager Morris and Banda took part in an executive session afterwards. The Planning Board then voted that Altman and Elliot, together with Mr. Buzzell, should consult with the office of the Attorney General to see if perfecting amendments for the proposed by-law could be devised which could be legally voted in the coming Town Meeting.

The arguments by the Chamber of Commerce are that the proposed zoning by law takes away property rights of individuals in a manner that is probably unconstitutional. A poll by the president showed that, of those present, only one could have any claim to have land which could be so affected.

Mr Buzzell, in his statements to the Planning Board, said the same thing, but in legal terms.

Buzzell told the Planning Board that the Town of Sudbury has a Flood Plain by-law which he considers to be capable of withstanding court tests. That law is careful to protect the health and welfare

MR AND MRS JOHN D J SLINN, of Newtonville, were guests of honor at a reception in the Wilmington Memorial Library on Sunday afternoon, attended by nearly 100 persons. Mr. Slinn is to become Librarian of Wilmington next Monday.

Mrs John Callan, chairman of the Board of Library Trustees, is in light dress at right, and with her is Miss Frankie Allen, a former member of the Board.

## Committee told Drug Abuse in Wilmington

Twenty one persons at the meeting of the Wilmington Board of Health, on February 25th told the Board that drug abuse does exist in Wilmington. Some of them were present as representatives of various organizations.

James Durkee, Chairman of the Board of Health, opened the meeting with a statement that, contrary to recent publicity there is a problem of drug abuse or drug dependency in this town. He hoped that there would be some coordination between the committees now working, and then read Article 57

of the warrant for the Annual Town Meeting, which seeks to have a study of the problems, to be reported on at a later town meeting.

Joseph Beaton Jr., President of the Wilmington Jaycees said that he felt the educators were not getting the job done, in using the present methods of education. Statistics are the basis on which we must base future programs, he said. He went on to say that distributing pamphlets and showing a film strip was not an effectual means of education.

Beaton felt that the young people themselves have to be made aware of the problem.

The Rev. Everett Kuder, assistant pastor of the Methodist Church pointed out that there are young people who have personal problems which lead to their use of drugs. He felt that any educational program

## Dr Fagan Doesn't Attend

Dr. Gerald A. Fagan, Board of Health physician, has given up attending meetings which discuss 'Drug Abuse', he has told friends. He was not present at the Board of Health Meeting last week in which drugs were discussed.

Fagan has told friends that the meetings are 'all the same'. Some one gets up and cites figures, the doctor says, about drug abuse, and then someone else does, but no one can name facts, or names and other pertinent information.

'It's the same story every time' he told one friend. 'Thirty years ago there were a few people in Wilmington who were addicted to drugs. Today there are a few too. If someone has some names to give me, I'll listen, but I'm not going to attend meetings where people waste my time with 'facts' they got from some other town or city, or a TV program'.

## More Legislators Needed

For several years the League of Women Voters of Massachusetts has been seeking to reduce the number of Representatives in the Great and General Court from 240 to 160. With all due respect to the ladies, this column submits that to do so would be a gross error.

To decrease the number of Representatives is to increase the chances of Power Plays, in the Legislature. It would be just that much easier.

Ideally, the Supreme Court of the United States has said, there should be even representation of voters in any Legislature.

Ideally, too, this column submits, every municipality in Massachusetts should have its own voice

### Fire In The Wintertime

Nothing could be worse. According to a recent survey, 55% of all homes are underinsured with the average homeowner carrying insurance that covers only 71% of replacement costs.

A fire in the wintertime inflicts a cruel blow on anyone. With furnaces running hot, you're wise to check your heating plant just in case. You're wise to check your insurance for the same reason.

in the Legislature.

To combine these two ideals is difficult, but to reduce the number of State Representatives would not better the situation - it would make it worse.

And - if reducing the number of representatives is an improvement - why not go further? Why not reduce the number to 120 - or 80 - or less?

Historically, there have been many cases of conflict between the representatives of the larger cities and the representatives of the smaller towns in Massachusetts. No matter how good their intentions, the rural representatives have not been able to represent communities, other than perhaps

# PLANNING BOARD (Fr. Fr. Page)

of the inhabitants of the land zoned, and also carefully kept within the limitations of the Statutes. This was not so in Wilmington, was the opinion of Mr. Buzzell.

He went on to tell of a case in the Town of Milton where a large tract of land was included in a Flood Plain zoning. The land was surrounded by marsh and peat. It was also zoned for residential uses.

The Supreme Court held, Buzzell said, that the Milton Flood Plain zoning was invalid in this particular tract of land.

'As I read this (Wilmington) by-law' Buzzell said, 'It seems that the thrust is to make it Conservancy'. He felt that a Court would not uphold a Flood Plain by-law which was really a Conservancy law. 'If there is danger to life, if someone's health is endangered, for use involving occupancy of residential land, the Court would perhaps uphold'.

Buzzell explained in full the meaning of various statutes, including the Hatch Act. It seems, he said, that the Town does have, through these laws, and the powers of the Board of Health, and the (state) Department of Natural Resources, the powers to accomplish the purpose designed.

Buzzell's idea of a program involving Conservancy was that the Town should select the most important areas, and acquire the land through purchase, eminent domain or gift, and then enlarge the program over the years.

TM Sterling Morris told Buzzell that, in his opinion, the Hatch Act

was of no value, and had not stopped the building of structures in wet land.

Buzzell went on to explain that in the Sudbury Flood Plain zoning not only were the boundaries on the map, but they were also marked on the ground by monuments installed, with metal discs on top.

Mr Altman pointed out that the proposed Wilmington law provides relief by the Board of Appeals.

Buzzell doubted in the Board of Appeals had such a power. There is no statutory power, he said, 'You are reaching out'.

Buzzell summed up by telling the Planning Board that the proposed by-law should stay clearly within the limits of the statutes and should be so written that the courts could uphold them.

## Underground wiring

In other business the Planning Board adopted Section 81 Q of Chapter 41, General Laws, which allows them to require that the installation of power lines to homes in new subdivisions be underground.

Mort Grant told the Planning Board that he had talked with the Superintendent of the Concord Municipal Light Department. The action of the Wilmington Planning Board is modeled after that of Concord.

In Concord, Grant said, the Municipal Light Department pays half and the Developer pays half of the costs of underground wire installation. There is, he said, no problem in that town.

Grant had also talked with Mr Spurr, Chairman of the Municipal Light Department in Reading. He had found Mr Spurr to be very helpful. Spurr, he said, was not against

the installation of underground wiring in housing developments.

According to what Grant said, Spurr had told him that a developer in Lynnfield, named Mills, had been installing underground wiring and the costs were averaging out at \$600 a home. The costs for overhead wiring was \$100 a home.

Mr. Spurr, Grant told the Board, would see that the Reading Municipal Light Department would get some suitable regulations to the Wilmington Planning Board.

TOWN COUNSELS COLLECTIVE: Former Town Counsel Philip Buzzell (center) at the meeting of the Planning Board. To the right is his successor, Alan Altman, and to the left TM Sterling Morris. Mr Buzzell was Town Counsel of Wilmington for approximately forty years, and is one of the most highly respected attorneys in Massachusetts.

## Planning Board Hearing on Underground Wiring

There were only four interested persons present as participants, other than the members of the Planning Board, last Thursday, at the time of the advertised hearing relative to the changing of subdivision regulations, so as to have all electric services to new homes go underground, rather than by the usual method of utility poles.

Fred Jackson and his brother Nick, of the Jackson Brothers Inc., Stanley Hibbins of Marlon Street, who identified himself as a Construction Electrician, and Richard Cushing, also of Marlon Street.

The hearing was conducted by Morton Grant, of the Planning Board. Mr. Grant has had charge of the studies leading up to the hearing.

Mr Grant opened his part of the hearing with a brief remark that the proposed regulations were modeled after those of the Town of Concord, now in use.

The Jackson Brothers told the hearing that the net effect of the new regulations would be to raise the prices of new homes in Wil-

## Other business

Other than its own proposed Flood Plain Zoning, the Planning Board has voted against all proposed rezoning in the coming Town Meeting, with one exception.

The exception is the proposed re-zoning of land near Bridge Lane and Main Street. The appellant did not appear at the Planning Board Hearing, nor at the Finance Committee Hearing. This left the Planning Board no alternative than to vote 'No Report', which vote means that the article cannot be discussed in the Town Meeting.

## and Erosion?

Mr. Grant, it turned out, had had charge of underground wire installations, while serving as an officer in the US Air Force. He described with some humor the results of a small bug eating the plastic covering of underground wires at an Air Force Base in Mississippi, and thus causing outages, and how he had made a huge model, of electric wires, of the bug and sent to headquarters so that they could see what was causing the damage.

Fred Jackson wanted to know what would happen to remainder of the \$100 deposit that was proposed, to Reading Light, for installation costs. What about the return of money that is not used?

Grant said he had hoped that a representative of Reading Light would be present, so the problem could be discussed with them.

Mrs McKie asked Fred Jackson if, other than the costs, he had anything to say about the proposal. Jackson said he didn't think the average home owner 'would care'.

The meeting broke up with a statement that there would be more discussion at the next meeting (March 3).

## Nosey Nancy

Send your announcements to Nancy, Box 208, Wilmington, or call 657-7141, and after five, 658-4865. If I'm not there I'll call you.

Hi, there Folks. This will be a jamboree of mix and match this week, with all of the info coming to this one via all sorts of media.

Now, we've had four inquiries this morning as to when voting day was to be held. It is THIS Saturday at the High School Gym from 10 to 8 pm. This gives you plenty of time to plan, with the absentee ballots at the Town Clerk's office. So, let's go - no matter what you're inclination. Be sure to get down there and VOTE. Stand up and be counted. That's the only way this Town and Country can be run. Let's go now. We'll see you all down there! VOTE! We knew you would.

Are you taking in that 3rd Annual Award Dinner on Monday at Rocco's. Social Hour begins at 6:30 pm with Dinner at 7:30 pm. This is a 'favorite gent's' selection dinner, and is sponsored by the Chamber of Commerce and the Rotary. Call Big Lloyd Bender for tickets 658-3640.....

And speaking of that Big Boy did you note that this town has grown large enough so that he is 'doing' the American Traveller in the Square. Do stop in and see that office. You wouldn't think it could come out like that and while you're there, pick up your brochures on where you want to go for how much money. All kidding aside, think it's a great idea, Lloyd, and we know it'll work. Best of luck!

Did you see that Dapper Harold McKelvey sporting the new suit? And he's on the campaign tour we hear. That's the way, Harold!

Ed Rideout that principal of React Graphic at 52 Main Street chatted with us this week. In the course of conversation we found out that he's developing a camera for small printers, well within their means with a whole lot of accessories that will facilitate their whole operation. This is really something! It would also appear that this Town is fast becoming a Graphic Arts Ctr with Photon, Compugraphic, React and several others locating here. Hope that we can sit up and take notice and keep them with us!

Don't forget that Parents Talk Night with the School Committee at the North Intermediate on the 10th of March. This is your chance to give your views on what is going on in the Schools!

World Day of Prayer on Friday Night at the Methodist Church at 8 pm. We are really in dire need of all of your prayers, no matter what your beliefs. Get together with the group and let that Man Upstairs know that we care about what is going on in this old world of His and Ours! We can 'Move Mountains' this way!

The Class of 1960 has lost a few members and now they are

planning a 10th Reunion. So if you know the whereabouts of any of the following, give Stan Ashdown a call at 658-6928, please:

Bob Hastings; Bob Kerr; Phil Komenchuk; Clyde McKaba; Paul Meads; Guy Micalizzi; Carol Raus- eo; Jim Savage; John Smoeski; Ruth Urbonas; Tom Von Kahle; Emily Webb; Doris Lemire; Andy Hammond; Arthur Malone; Dick Drober; Theodore Plotte; John Penney; Warner Allen; John Penney; Eleanor Coulton; Fred Massone; Donna May; and Louis Parziale

The Knights of Columbus are sponsoring an Old Irish St. Patrick's Day Dance on Saturday, March 21st from 7:30 to midnight, with free beer, pop corn, and a special drawing. Sounds like Ye Olde Fun!

March 23rd the Masonic Friendship Lodge are sponsoring a Sports Hockey Night with a Baked Ham Supper at the North Intermediate School of 6:30 pm with Door Prizes and All!

Don't forget the Sara Carter Lecture Fund presents Stanton Waterman and 'The Call of the Running Tide' from the Islands of French Polynesia at the High School Auditorium on Wednesday

Blooped last week and said in the Selectmen's Notes that the wrong vet appeared. It was John Faulkner of the VFW appearing for the Memorial Day Committee and not Henry Souvaine of the DAV. Thanks, Henry, for your thoughtful telephone call, and the sentiments about the campaign. We certainly do appreciate it, and we're going to need all the help we can get. Got pretty strong competition there, you know!

Nellie Thompson called to say thank you to Dale and David Mather and their Mother, who shovelled her steps and walk through FISH last week. Walter has been on the sick list and Nellie sprained her ankle, so this rescued them from being Snowbound. Nice going, Fish!

Speaking of Nellie, her nephew Sp4 Mike Robinson is due home from Nam and the paratroopers next week. He'll be home on leave for 40 days, and then reports to Fort Bragg. We do hope we see you, Mike!

Young Carl (Butch) Melander called us from Ft Dix, NJ, looking for Chuck (No 2 son) on Thursday night, saying that he had contacted receiving etc but couldn't find him. Anyway, Chuck called 1/2 hour later and said he was shipping out to Germany at 4 in the morning, so take it that he and Butch never did catch up to each other, since Choag had just flown into NJ on Wednesday noon. Anyhow, we did find out that Butch has been in the hospital with pneumonia and would be in Ft Dix for six weeks more anyway with travelling orders later, so he'd like to hear from his friends...His address is Pvt Carl Melander Jr RA 021-429966, Co B 3 Bn 1st BCT BCTDE, Fort Dix NJ 08640. Let us get those cards to him folks. He's plenty lonesome!

The Parents for Retarded Children are sponsoring 'The Ugly Dachshund' a Walt Disney in color

at the High School Auditorium on Saturday at 11 and 1:30 pm. The donation is 50¢. This is great for all age-kids, and will give them something to do while you vote, so let's go there folks. These people really do good work, and you tell me there's nothing for the kids. Well, there's this and the Carter Lecture this week!

Bernard Nelson is the newly elected Treasurer to the Shaw- sheen Valley Jewish Com Ctr. Congratulations, Bernie. On Mar 13, a Family Service at 7:30 pm at the Temple Shalom in Woburn Mar 15, Brother hood Breakfast at the Temple. March 21st, Sat Evening Purim Service at 7:30 and a Covered Wagon Ride and Pizza Party on Mar 28 for couples Active group. Good!

Accepted to Wentworth for 1970 are Carl Kohler, of 23 West St for Electronic Technology; and Shem Krey of 54 Andover St for Building Construction Technology and Kenneth Williams of 42 Hopkins St for Building Construction Technology. Glad to see some heavy duty construction men coming up in Wilmington.

George Guzeli of 31 Clark St at Virginia Wesleyan College is acting in 'Electra'

Jean Laffin, now Mrs Stuart Mercer Smith, made the Dean's List at the University of Virginia School of Nursing. Congratulations Jean. She will be starting her duties at the Cardiology Unit of the University Hospital shortly, while Mr Smith resumes his studies as an engineering student.

Mr and Mrs William D MacKenna Jr and their children of Moore Street, Wilmington have just returned from Sarasota, Fla where they visited the Ringling Museums, which are really something, we understand!

Congratulations to John R Harvey, the Inspector with the Wilmington Police Department. John graduated from the State Police Narcotic School on Feb 27th with instruction on addiction, application of the drug laws, drug identification, chemical testing, and drugs and the teen age user.

That Donkey Ball was sold out on Tuesday morning and was quite a contest I hear. Wonder who was chasing who!

Sergeant John J O'Connell, son of Mrs Irene T O'Connell of 37 Beacon St arrived in Taiwan for duty from DaNang Air Base in Vietnam. He's a communications analysis specialist.

Mrs Eva Brandt wrote to us that Henry Haas had passed away. He will certainly be missed, Big Henry. We were sorry to hear that!

Now, we're out of energy and SPACE, so we'll see you next week. Don't forget to VOTE!

Every week I am in all parts of Wilmington, covering all areas. I know what is wrong before you call the Town Hall, to tell them about it. I know what gets done, and what doesn't.

When you call the Town Hall to get a pot hole fixed, someone leaves the garage to do this. Then they go back to the garage.

With someone who knows the town they would have other work too. You would get ten pot-holes fixed, in nearly the time that it takes to get one. It is a shame when a piece of Town machinery has to drive 10 miles from the garage, round trip, to plow one dead end street, which was missed, and then go back to the Town Garage for further orders from the Town Manager, after some irate tax

payer had to call up and make a complaint.

Town Equipment should be worked sensibly, going and coming, to save taxpayers money.

Ask the Town Employees! They'd be happier too! They don't like to waste the town money.

 Intermediate Division  
 Harvard won the championship in the Intermediate Division by downing Northeastern 14 to 11. Bob Aprile and Danny Burns led the scoring for Harvard with seven points each, to account for their teams points. Larry Cummitt was the hot man for Northeastern getting ten of the teams points with Tom Stewart picking up the other point. Both teams played good basketball in a well fought game. Other boys who took part in the game were: Tom Richards Tom Dunn, Randy Johnson, Joe Ferragua, Kevin Randall, John Smith, Danny Wentworth, Tom Michaud, Mark Waruszyla, Tony Viera, Pete McNaughton, and Fred Stone. The Harvard team was coached by Jim Maxwell, while Northeastern coach was Joe Scifo

Junior Division  
 The Chargers up for this game took the Jets into Camp 33 to 20 Coach Bill Jensen squads scoring was led by Doug Stewart with 11 points; Tom Woods hooped 10 pts and Bob Stewart 6 for the Chargers. Coach 'Paco' Leverone had a well balanced scoring attached but just not enough points. Mike O'Brien with 6, Mike Herra 4, Dana Daniell 3, Bob Burns, Paul Sterrazza, Wade Holbrook each had 2, and Mark Kalkanjian 1.  
 Senior Division  
 The Knicks jumped out to a fast start and never let the Celtics catch up and they took home the championship 49 to 33. Coach George Hanna's boys held a half time lead of 21 to 13 after the Celtics had a cold second period  
 The Celtics continued their cold hand until the 4th quarter, when Coach Lenny Gustus got them back on the track to outscore the Knicks 18 points to 12  
 The door was shut by then, but the Celtics didn't stop playing until the final buzzer. Joe Scifo led the Knicks in scoring with 18 points, Dave McLain had 11 points, Pat Simmons 8, Don Hoffer

7, and Mark Nelson 5, rounded out the Knicks scoring. Jim Maxwell hooped 14 points and Bob Noel 13, while Tom Pickowicz 4, Rich Allen and Rick Nickerson got one each.  
 The All Stars for both divisions were picked along with the Most Valuable Player.  
 In the Junior Division All Stars the boys picked by their fellow players were: Doug Stewart, Bob Stewart, John Harrison, Carl Butler, Mike Lanni, Honorable mention went to Mike Herra, Rick Dunn, Ed Maloney, Dave Spring, Rich Cramm, and Mike O'Brien. The Top Ten Scorers were: Carl Butler 96, Doug Steart 89; Dave Spring 71; Bob Stewart 67; Mike O'Brien 64; Ed Maloney 59; Rich Cram 56; Mike Herra 56; John Harrison 53; and Jim Martin 43.  
 The Senior Division All Stars are Jim Maxwell; Paul Ritchie; Dave McLain; Joe Scifo; and Bob Noel. Honorable mention were Roy Anderson, Tom Southmayd Hal Stewart Pat Simmons, and Bubba Clark. The Ten Top Scorers were Paul Ritchie 166; Jim Maxwell 159; Roy Anderson 137; Joe Scifo 128; Tom Southmayd 112; Bob Noel 84; Steve Daniell 82; David McLain 80; Henry Landry 76; Mark Nelson and Dave Stewart 71.  
 The Most Valuable Player Award for the Junior Division went to Doug Stewart. Joe Scifo received it for the Senior Division  
 The League Director would like to thank all who took part in the year's and all the past years' activities.

Adult Division  
 The Merchants moved into a first place tie last Sunday night as they topped Dave Newhouse's five, 97-85 for the second time this season. Entering last night's games at the high school, both teams could possibly conclude the season at 11-4 each and thus throw the league championship into a turmoil. At this writing, League Director Howard Lafaver has not indicated how this tie would be resolved.  
 In other games played last week Bedells moved into third place with a pair of wins, defeating Sweetheart 66-55 on Feb 25 and topping DeLoury 61-51 on Sunday Newhouse edged DeLoury 70-68 in an earlier game last week to drop George Hanna's team into fifth place.  
 Gene Manley paced the Merchants with 28 points. Bob McNabb chipped in with 22 while Barry Sheehan and Billy Ritchie hit for 18 a piece to aid the winners. Dave Orndorff led Newhouse scoring 23 points. Steve Donahue with 22, Jim Mentini, 18, and Dave Newhouse 15, were not enough for the losers.  
 A strong fourth period led the way for the onrushing Bedell Celtics. Trailing 42-37 entering the final stanza George Pratt's team exploded for 24 points while holding DeLoury to 9, thus coming out on top, 61-51. Pratt led the winners with 22 points. Butch McFeeters and Pete Farrell scored 13 each for the slumping DeLoury five.

## Junior Conservation Camp

The Wilmington Conservation Commission is again accepting applications to attend the Massachusetts Junior Conservation Camp in July.

The purpose of the two week's camp is to train youths to appreciate natural resources, and to use them wisely. Any boy between the ages of 14 and 17, who has demonstrated an interest in out door programs, compatible with the aims of Conservation is eligible. Three Wilmington youths will be selected.

The Commission will interview any qualified boy. A written notification must be made of interest, to Dave Townley, Conservation Commission member, before March 31. A personal interview with the youth before the board will follow at a later date.

Letters, stating that the boy is interested in the camp and would like to be considered should be addressed to Dave Townley, 41 Hopkins Street. Priority will be given to those without previous Conservation Camp experience.

For additional information call Mr Townley after 6 pm at 658-2302

## Notables to attend Democratic Meeting

Most of the leading candidates for the major constitutional offices have accepted invitations to attend the Seventh Middlesex Democratic Committee social on March 15 at the Lord Wakefield, in Wakefield, Anna Visconti, chairman of the Wilmington Democratic Town Committee, has announced.

Candidates for Governor who have accepted are Kevin H. White, and Kenneth O'Donnell. Rep. Mike Dukakis and Sen. Beryl Cohen, candidates for Lt. Governor have also said they would be present.

No formal program is scheduled for the evening, simply an informal social where candidates and members of town and city committees can meet and talk.

The social is to be from 5 to 7 pm.

## DeMolay Installation

NEW DEMOLAY OFFICERS: Installed in ceremonies on February 28th at the Friendship Lodge of Masons.

## Letters

February 27, 1970

As a concerned citizen of Wilmington I cannot sit back and see the intelligence of myself and other voters of this community insulted without speaking out.

I refer to the utter disregard of the wishes of the people by Rep. Fred F. Cain. Voting as he did against the proposed House cut, he has indicated to his constituents that he does not feel that they are intelligent enough to decide for themselves how they should be governed.

On election day, I, as a member of the "silent majority" will not forget this seemingly politically - inspired vote.

Dear Larz:

I am writing this letter, as I hope the adults and young people interested in our schools will make every effort to attend the meeting at the North School on March 10.

Mr Pierce, the Acting Supt., set up this meeting for us with the approval of the School Committee, and this is our opportunity to show our interest and concern by planning on coming March 10th

to discuss our schools with them  
Sincerely,  
Elizabeth Andrews

**HOME OWNERS CORNER**  
  
 by Roger

Any surface that needs paint has its own individual protec- tion problems. With metal sur- faces, it's rust and corrosion - especially outdoors.  
 One of the biggest problems for homeowners is making paint stick to gutters and downspouts. For this job, you may need a special primer that adheres to the galvanized surface.  
 Such paints, available in a rather dirty gray color, have a compound of zinc dust that sticks to the galvanizing better than ordinary primers would. When the primer is dry, you can use any exterior house paint.  
 Save yourself problems by shopping at A B SWEEZEY, Inc. 615 Main Street, 658-2051, where you will always find a complete supply of Keystone paint and paint products.  
 We also have a fine selection of unpainted furniture including dressers, bureaus, desks, gun cabinets, record cabinets, dea- cons benches, hutches, and book- cases.  
 Hours: Daily 9-5, Friday 8-9

## Discussion on High School Addition

John Miller, of Hill & Associates met with the School Committee last Thursday to discuss revisions of the plan for additions to the High School.

The discussion revolved around ways to reduce costs.

In view of the construction of the Shawsheen Valley Regional Vocational School, Mr. Miller said, some cuts in the Industrial Arts for the new addition could be cut. Al Lanni, school committee member, objected to cuts being made because he felt that it would decrease the number of pupils who could elect to take part in the Industrial Arts program.

Walter Pierce, Acting Superintendent of Schools, gave figures based on a six period ay that enrollment would not be increased if the course were to be effective. William Fay, School Committee, said that even with the building of a Regional Vocational School the philosophy of the School Committee has been to not minimize the Industrial Arts Department.

Miller than proposed that cuts could be made by changing the class size from 20 to 25, which would reduce the number of class- rooms needed. Changes in the size of Staff facilities could be reduced from 2,000 square feet to 300 he said.

The School Committee asked that he work more on this.

Miller then discussed the Physical Education program.

He fet that a quality program could be carried out using the present land available. He showed a rough diagram, fitting in the Field House and the various play- ing fields on the present land. The four station field house would be 25,000 square feet, and would contain such things as an indoor track, and a regulation basketball court which could also be used for volley ball and tennis. The field house would also include batting practice rooms, rooms for reme- dial physical education, and boys locker rooms, with closets for equipment and towels.

Miller wanted to know if the community use would justify the size of the Field House.

Fay said that based on the pro- jections of the needs of the schools and the needs of the Recreation Committee, the size of the Field House would be adequate.

Miller then told the committee that they would have to commit themselves on a specific program soon, and that facts and figures must be decided on, before he could proceed any further.

The newsletter which is to be soon mailed to parents of school children was displayed by Walter Pierce, Acting Superintendent of the Schools. He pointed out to the committee a section which discussed a new concept in the educational program, that of hiring skilled people in specialty areas of industry, to serve as guest lect- urers in the school system.

Pierce said this would add to the variety of classes, and give the pupils, specially those in the High School, contact with the industrial community.

**IT'S GOOD FOR YOU:** Mrs Joan Kritter, RN of Pilling Road, who hasn't done any nursing for several years, bought herself a new uniform to help out at the Red Cross Blood Drive in the Masonic Hall, last Friday. 48 Pints of blood were collected in three hours, from 57 volunteers, which was a very good blood collection, Red Cross officials say. The volunteer with the thermometer in his mouth is Paul Arnone of Pinewood Road.

DEBRA RASMUSSEN  
 GIVES ORGAN CONCERT

Miss Debra Rasmussen, an eighth grade student in the West Intermediate School, presented an organ concert at Danvers State Hospital last Thursday, to 350 patients. The concert was from 7:30 to 8:30 pm. The young lady is the daughter of Mr and Mrs Fred Rasmussen of Washington Avenue.

The idea, to share music with the mental patients at the hospital, was her own, and took over a month to co-ordinate. Music is recog- nized as an effective therapy, and affords patients an opportunity to express themselves.

Miss Rasmussen presented a program of 30 selections, com- prised of popular, ballads and semi-classical music. After the program she continued to play selections requested by the audi- ence. During the program and during the periods of requested music the patients participated by dancing and singing.

One young man asked Debra to play 'Because' by Tescemacher, as he sang it, his favorite song. He performed with concert tech- nique, and also, it was observed, from the bottom of his heart.

# Three Children injured in Accident

John R Evans, former Wilmington resident, now living in London-derry N.H. was the driver of a car which caused light injuries to three teen-agers, Tuesday evening. Police believe there were seven to nine youngsters, boys and girls, walking in the middle of the street. The accident happened in front of St. Thomas Church, as the young folks were returning home from the 'Donkey Basketball Game' in Wilmington High School. The police report says that Richard Parent, 14, of 103 Grove Ave was struck by the right front end of the 1968 Ford Wagon which Evans was driving, and then when he swerved, a trailer he was towing struck Thomas Pickowica, 15, of Brand Avenue and Donna Servideo, also 15, of Jacquith Road. All were taken to the hospital and later released.

## 'DRUG ABUSE' (Fr. Fr. Page)

tion on drug abuse must address  
itself to these problems, and that  
an effective means of doing this  
would be the establishment of 'hot  
lines' and counselling services.  
Kuder also said that the abuse  
of drugs is a legal problem, and  
that our laws must be upheld be-  
cause they are the basis of our  
society, and that society could  
collapse if its laws were not up-  
held. He further pointed out that  
the laws could be changed if they  
were not good laws.  
Mrs Anne Rounds of Butters  
Row asked if the Wilmington Fam-  
ily Counselling Service could be of  
any help to the committee. Rev.  
Kuder explained that the case load  
of the counselling service was too  
great at this time, to be of any  
help.  
The Rev. Scott Kavanaugh, a  
student at Andover-Newton Theo-  
logical School, and the Assistant  
Pastor of the Congregational  
Church introduced himself. He  
explained that as the Youth Direc-  
tor of the Congregational Church  
and as co-ordinator of the Coffee  
House, he has had personal con-  
tact with approximately 250 young  
people of Wilmington.

Based on personal statistics,  
gathered from his contact with  
these young people, Kavanaugh  
estimated that 50% of the youth  
of Wilmington had at least tried  
marijuana or other drugs.  
Kavanaugh told the committee  
that in order to educate properly  
they must think in terms of drug  
fact and drug degree, and that the  
drug fact is that marijuana is  
available in Wilmington. Also, he  
said, on entering Wilmington her-  
oin can be found within a three  
hour period. Codein is also avail-  
able in the vicinity he said, and  
in some cases does not have to  
be signed for.  
He went on to say that the mar-  
ijuana that is available locally is  
of poor quality.  
Mr Kavanaugh felt strongly that  
parents must know that their chil-  
dren are exposed to drugs. He  
agreed with Mr Beaton that it was  
important that the young people be  
made aware of the extent of the  
drug problem. He agreed that  
statistics on drug degree are an  
important base for future educa-  
tional programs.  
Mr. Durkee discussed what the

costs would be to build a 'half-way'  
house. He said that any project  
of this size would have to be done  
on a regional basis.  
Based on figures from Reality,  
Inc. of Lawrence, such a place  
would cost approximately \$317,668  
per year.  
Detective John Harvey of the  
Wilmington Police suggested that  
his idea was to have a former  
addict, a young person, placed in  
a place easily accessible to the  
young people, so that they could  
have personal contact with some-  
one associated with the problem  
of drugs. His suggestion seemed  
to have the approval of the com-  
mittee.

Harold Garrett, headmaster of  
Wilmington High School, in reply  
to questions from Mr Durkee said  
a program to be presented in Wil-  
mington High School would be on  
March 3. Students from the Mass  
School of Pharmacology would pre-  
sent the program. There would be,  
in the future, a program for adults.  
He extended an invitation to the  
Health Board to view the exhibit  
being shown at the High School  
concerning drugs. The Art De-  
partment, he said, had provided  
the Psychedelic baground for the  
exhibit.

The discussion then turned to  
the problem of stimulating adults  
to attend the meeting which Mr  
Garrett is setting up, for a future  
date. Various programs which  
have been tried in Wilmington  
were discussed, and how poor the  
attendance had been.

One person said that people will  
not attend these meetings because  
they felt that others would feel that  
a drug problem existed in their  
own family, and the discussion  
was that they committee hoped that  
this attitude could be overcome,  
and the importance of people being  
educated in the area of drug abuse  
could be stressed.

Three of those present, all young  
people, the Rev. Mr. Kuder, the  
Rev. Mr Kavanaugh, and Miss Jane  
Emery, were asked to obtain statis-  
tics for the next meeting of the  
committee, which could assist in  
the planning of a future educa-  
tional program.

## High School Sports

### Hockey

The Wildcats lost a heart-breaking 4-3 double overtime game to Andover last Saturday afternoon in the annual league playoffs. The league winning Red Devils of Bur-

lington dropped Masconomet 5-1 in the other semi-final game. The finals will be held this Saturday at the Forum with the consolation game between our var-

sity and the Cheiffains scheduled for one o'clock and the championship game at 2:20 between Andover and Burlington. The All-Star teams, the presentation of the MVP award, and the awarding of Matthew J. Brown Memorial Trophy for sportsmanship will be announced by the league commissioner Larry Cushing following the two games.

Defenseman Hockmeyer fired home a 30 foot slap shot with 1:59 remaining in the second sudden death overtime period to carry the Golden Warriors into the finals. The game was tight all the way with scoreless first period. The varsity scored the initial goal at the 32 second mark of the second period when sophomore center Pete Tighe flipped a 10-foot backhand by Chapman. The play was expertly set up by Capt Jim Irwin as he fed a perfect pass to Tighe from behind the net. Jr Ray York began the play keeping the puck in the zone and firing into Irwin.

Andover tied the game some four minutes later as Grange's shot broke through goalie Dana Tighe's pads. Neither team scored in the remaining seven minutes of the period as both goal tenders were equal to the task. At 8:42 York broke in alone on Chapman only to have the Andover goalie come way out of his net to stop him. On this play, Chapman collided with York and had his mask pushed into his mouth in the process. By the third period, he felt quite dizzy and skated off.

Andover grabbed a 2-1 edge early in the third period on a power play goal by Hockmeyer. The Wildcats tied it a 2-2 less than

a minute later when junior left winger Dave Irwin lifted a 15-foot rebound of a Mike Esposito to break away attempt over Chapman's shoulder.

The Golden Warriors made it 3-2 at the 4:21 mark as Grange tipped in a Hockmeyer slapshot from five feet out. It was another power play goal, as Esposito was serving a minor penalty for holding.

Again the varsity tied the score late in the period, as second line center Steve Catalano, playing one his better games, scored an unassisted goal. Steve swiped the puck away from Stewart, Andover defenseman, at the Warrior Blue Line and skated in alone and beat Chapman from 30 feet out with a drive into the far lefthand corner of the Andover Goal. Chapman left the game at this point and was replaced by Marshall who shutout the Wildcats the rest of the game.

Both Marshall and Tighe made several fine saves during the extra periods before all. The WI

all. The Wildcats held a wide 31-20 shot advantage but were foiled very successfully by the Andover goal tending tandem.

### Basketball

The varsity ended its season on a winning note last week, drubbing Lowell Trade 76-43. Jr Ctr Dennis Murphy paced the Wildcats with 35 points and 34 big rebounds. Dennis collected 27 of his points in the first half, as Coach DiSarcina went with the reserves for the most part during the second half of the game.

Seniors Capt Ballou and John McNevin chipped in with 12 and 11 points respectively. The boys jumped out to a 20-13 first period lead and led 45-21 at the half, outscoring Trade 25-8 during the second stanza. With the reserves playing the second half the varsity maintained its lead as they increased it to 61-33 at the end of the third period.

The Wildcats hit on 46% of their field goal attempts, making good on 31 of 68 shots. Trade was successful on only 17 of 54 shots for a poor 31%. Murphy hit on 15 of 22, while Ballou made 6 of 13 and Gustus 3 for 11. In the freethrow department, the Wildcats made good on 14 of 25 attempts for a disappointing 56% as Trade hit 60% 9 for 15. McNevin and Murphy made 5 of 6 each from the charity line. The varsity held a wide margin in rebounding, as they corraled 53, 28 on the defensive boards, compared to 17 of Trade.

Coach Stone's Jayvees lost a hard fight 46-45 decision to the Trade reserves and finished the season, 11 wins and 8 losses

Unlabeled poisons are a major danger in every home.

We become careless with household chemicals. And every year this carelessness causes 1,300 deaths.

Four hundred are preschool children who are too young to understand or know the dangers.

Accidental poisoning is preventable. Develop habits of safe living.

Label all poisonous substances clearly and keep them out of the reach of little children. If more people were more cautious in this respect, home-poisoning would be lessened.

Father Mark Dittami has been, among other things, a businessman and a Lieutenant in the U.S. Navy. For the past several years he has conducted the chapel at the North Shore Shopping Center, conducting Masses there four times a day, six days a week.

Because there is no business at the shopping center on Sundays Father Mark has had time to visit his family in Wilmington, and consequently has become fairly well known in this town.

It was after his wife had died that he decided to take the Holy Orders. In World War II he was a Lieutenant in the U.S. Navy, and again in the Korean War.

There were quite a few Wilmington residents present at a reception, Sunday evening, at the home of his daughter, Mrs Ursula Leahy and her husband Bob. Fr. Mark opened his new chapel in New Jersey yesterday afternoon.
